25X1

25X1 [redacted] At the same time, advised Millikan of the Brownell survey and suggested that he prepare for it.

Discussed with Mr. Davidson and the CI representatives for the Friday briefing the possibility of having another map, similar to that taken to the White House. They undertook to have such a map prepared.

Had a brief discussion with Mr. Wolf in which the following matters were taken up:

1. It was suggested that Shef Edwards be invited to attend the Assistant Directors' meetings and I undertook to bring this up.
2. It was also suggested that Larry Houston, as General Counsel, sit in on PRC meetings and I agreed that this would be a very good thing.

Discussed briefly with Mr. Douglass recent indications of an impending attack on Indochina.
